

Prior to each use, it is important to check the status of the device: seams, state of the straps and of the fabric. Any damage will either be repaired by NAUSICAA Medical, or will result in a disposal. For hygienic reasons and respect for health protocol, textile products have been opened will not be returned nor exchanged.

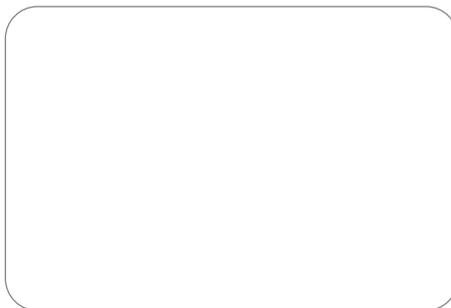

ECO SLING

THIS MEDICAL DEVICE
MUST BE IMPLEMENTED
BY A TRAINED HEALTH
PROFESSIONAL

- CE certified and manufactured in France, the Eco Sling is available in one size fits and is used with all stand-up lifts equipped with a hook system.
- It is placed under the armpits or on the lumbar based on the device used.
- Its padding under the arms distributes traction on the patient and avoids painful pressure, particularly under the armpits and at the dorsal level.

SXPECO-PF

Important Recommendations :

In order to get a maximum efficiency of these sort of product, it is necessary :

- to choose the appropriate size for the patient
- to get the best possible adjustment to the patient
