PATIENT POSITIONING

Presentation

Our Patient Positioning range, through its different belts available, is aiming to provide a comfortable and secure posture of patients while preventing falls and is washable at 70°C.

In complement, some additional devices participate in the search for a good posture of patient's limbs as their design makes it easy for everyday use and the choice of their fabrics makes it comfortable while being safe.

CE Certification

All our products are CE certified in compliance with EU requirements arising to the product's manufacturer.

REACH Compliance

Our products follow the REACH regulation which aims to progressively remove the most dangerous chemical substances in the European Union.
